

FINANCIAL / PAYMENT POLICY

Thank you for choosing Orthopaedic & Spine Specialists as your health care provider. We are committed to the success of your medical treatment and care.

For your convenience, we have answered a variety of commonly asked questions regarding our financial policy. If you need further information about any of these policies, please ask to speak with one of our staff from our Patient Accounts department.

How May I Pay?

We accept payment by cash, personal check, VISA, Mastercard, and Discover. A \$25.00 fee will be charged for all returned checks.

Do I Need A Referral?

If you are a member of an HMO that we participate with, you will need a referral form from your primary care physician. Your HMO requires us to obtain a referral form regardless if another payer is involved or not, i.e., workers' compensation or auto insurance. If you do not have a form at the time of the visit, you will have the option to sign a waiver for personal responsibility, pay for the charges at the time of service, or you may reschedule.

Which Plans Do You Contract With?

Please see the attached list.

What Is My Financial Responsibility?

Insurance is an agreement between you and your insurance company. We do not become involved in disputes between you and your insurance company regarding deductibles, co-payments, non-covered or denied services. Your financial responsibility depends on a variety of factors, explained below.

Durable medical equipment (splints, crutches, slings, etc.) may not be covered under your insurance policy and will become your responsibility if denied by insurance.

What if My Child Needs to Be Treated?

A parent or legal guardian must accompany patients who are minors (under age 18) on the patient's first visit. The accompanying adult is responsible for payment of the account, according to the policy outlined below. If a minor attends follow up appointments on their own, the same payment policy will apply.

May I receive a "discount" on any of my charges?

We receive many requests to discount our fees from patients who are uninsured or underinsured. In order to address those needs we have developed a "Prompt Pay Policy" that may be applied when *charges* are paid in full at the time of service. This does not apply to co-payments or co-insurance which are a requirement from your insurance company. Please ask to speak to one of our Patient Accounts representatives if you think you may qualify for this discount.

It is important to the physicians of OSS that our patients remain informed about our practice. Our physicians have financial interest in the OSS Ambulatory Surgery Center, OSS Orthopaedic Hospital, Imaging Center, and Therapy Center. You have a choice whether or not you wish to receive services (including laboratory services) in these facilities.

I have read, understand, and agree to the above Financial Policy. I understand that charges not covered by my insurance, as well as applicable co-payments and deductibles, are my responsibility.

I authorize my insurance benefits to be paid directly to Orthopaedic & Spine Specialists.

I authorize Orthopaedic & Spine Specialists to release pertinent medical information to my insurance company when requested, or to facilitate payment of a claim. I authorize Orthopaedic & Spine Specialists to retrieve and use my medication history from SureScripts.

I understand that my account may be turned over to a collection agency after 60 days and will be assessed a 30% collection fee. I will be responsible to pay the collection fee should that occur.
